**HOW TO ORDER:** Show model number followed by two digit item code ending which specifies the type of adapter desired. Example: To order a 3/4" & 1" Combination unit with Speed Handle and Flare Adapters, specify **Part Number:** 9901S00. When ordering combination units, remember to specify the type of Adapter for Vega Drill sizes smaller than 3".

**NOTE:** On the Model 9908R all size combination unit you must specify all of your adapter choices when ordering. For 3/4" and 1" sizes Female Iron Pipe (FIP) or Male Iron Pipe (MIP) thread Flare bushing available. These bushings work in conjunction with the standard flare adapter, converting them from a flared copper thread to iron pipe thread. See parts page in adapters section.
