To: Our Valued Customers and Distributors

Re: Price Increase

As many of you are aware we announced a price increase effective March 1st via a 4% discount change. Due to the ongoing tariff implementation, we must double down on this move. We will be reviewing all customers' discount structure at this time and will be making corrections to offset a portion of these material increases.

Beginning immediately, we will be sending out to our loyal, stocking distributors your revised structures. At this time all existing quotes will be honored until their expiration dates.

Once again, we would like to thank all of you who rely on PowerSeal for the majority of your waterworks accessory products. We will continue to strive each day to provide the service you expect and deserve.

Best regards,

A handwritten signature in black ink that reads "Steve Kilcrease". The signature is written in a cursive, flowing style.

Steve Kilcrease – Vice President of Sales
